IVORY COAST

The most developing economies in West Africa with a population of **32.1 million**, Ivory Coast is the economic hub of West Africa.

Driven by urban **expansion** and a **vibrant real estate market**, Ivory Coast is witnessing a growing demand for **furniture, home textiles, carpets, and household products**. Rising incomes, changing lifestyle preferences, and a young, style-conscious population are fueling consumption in both the **residential and hospitality sectors**.

From **modern furniture and traditional craftsmanship** to **functional household items** and decorative textiles, the market offers significant opportunities for suppliers looking to tap into **West Africa's evolving home and living space trends**.

Ivory Coast's dynamic economy and growing population, combined with the Economic Community of West African States (ECOWAS) 's **430 million strong market**, offer significant trade & investment opportunities.
